## **How the club works:**

Experience the delight of surprise with quarterly wine selections from our winemaker! Becoming a member is free and includes many great offerings, including a 10% to 20% discount on all wines whether in the tasting room or by phone/email order.

Our winemaker will select two bottles of wine that will be shipped to you every three months. These wines will include tasting room favorites as well as a selection of our limited production and reserve wines. Each shipment will cost between \$40 to \$55 at the club discount of 10% plus shipping and tax. This club also has the option to come pick up the quarterly wine selection if you want to save on shipping.
